

FIRST REGULAR SESSION
[TRULY AGREED TO AND FINALLY PASSED]

HOUSE BILL NO. 865

91ST GENERAL ASSEMBLY

2069L.02T

2001

AN ACT

To repeal section 160.522, RSMo 2000, and to enact in lieu thereof one new section relating to building-level school accountability report cards.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 160.522, RSMo 2000, is repealed and one new section enacted in lieu thereof, to be known as section 160.522, to read as follows:

160.522. 1. [The state board of education shall adopt a policy for the public reporting of information by school districts on an annual basis.] **School districts shall provide, at least annually, a school accountability report card for each school building to any household with a student enrolled in the district. Methods of distribution of the school accountability report card may include, but are not restricted to:**

(1) Distribution at the time and place of student enrollment;

(2) Inclusion with student grade reports;

(3) Newspaper publication;

(4) Posting by the school district by Internet or other electronic means generally accessible to the public; or

(5) Making copies available upon request at all school or administrative buildings in any school district. The school district reports shall be distributed to all media outlets serving the district, and shall be made available, **upon request**, to all district patrons and to each member of the general assembly representing a legislative district which contains a portion of the school district.

2. The department of elementary and secondary education shall develop [multiple reporting models] **a standard form for the school accountability report card** which may be

EXPLANATION — Matter enclosed in bold faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

18 used by school districts [for their public reports]. The information reported shall include, but not
19 be limited to, enrollment, rates of pupil attendance, high school dropout rate, the rates and
20 durations of, and reasons for, suspensions of ten days or longer and expulsions of pupils, staffing
21 ratios, including the district ratio of students to all teachers, to administrators, and to classroom
22 teachers, the average years of experience of professional staff and advanced degrees earned,
23 student achievement as determined through the assessment system developed pursuant to section
24 160.518, student scores on the SAT or ACT, **as appropriate**, along with the percentage of
25 students taking each test, average teachers' and administrators' salaries compared to the state
26 averages, average salaries of noncertificated personnel compared to state averages, average per
27 pupil expenditures for the district as a whole and [for each building in the district which has
28 pupils at the same grade level as another building in the district,] **by attendance center as**
29 **reported to the department of elementary and secondary education**, voted and adjusted tax
30 rates levied, assessed valuation, percent of the district operating budget received from state,
31 federal, and local sources, [extracurricular activities offered and the costs associated with each
32 activity,] the number of students eligible for free or reduced lunch, school calendar information,
33 including [the number of] days [and hours for] **of** student attendance, parent-teacher conferences,
34 and staff development or in-service training, data on course offerings and rates of participation
35 in parent-teacher conferences, special education programs, early childhood special education
36 programs, parents as teachers programs, vocational education programs, gifted or enrichment
37 programs, and advanced placement programs, data on the number of students continuing their
38 education in postsecondary programs and information about job placement for students who
39 complete district vocational education programs, and the district's most recent accreditation by
40 the state board of education, including measures for school improvement.

41 3. The public reporting shall permit the disclosure of data on a school-by-school basis,
42 but the reporting shall not be personally identifiable to any student or education professional in
43 the state.

44 4. The annual report made by the state board of education pursuant to section 161.092,
45 RSMo, shall include a summary of school districts accredited, provisionally accredited, and
46 unaccredited under the Missouri school improvement program, including an analysis of standards
47 met and not met, and an analysis of state program assessment data collected pursuant to section
48 160.526, describing the kinds of tasks students can perform.
